

“ THOMAS GOES TO CAMP ”

Our Summer programs will focus on the following activities to develop the individual traits of the child; making our summer one of productive goals and growth in the center of our fun and games.

Children UNDER 3yr:

- Water play ★
- Art: how to use a brush, clay, paste and art materials
- Play-doh: kneading not eating

- Music: instruments/ singing
- Projects: gardening/sports/colors/easy cooking/ crafts

- See monthly Camp themes also -

Our theme this summer will use Thomas & Friends as an added Teacher in the classroom. With our extensive Collection of Thomas the Train materials, (used only in our summer program) we will encourage the learning of - numbers, colors, cooperation, respect, putting our materials away correctly, safety, friendships, plus other subjects (see theme schedule below). Art, music, stories and projects will also be taught through the Thomas collection.

- ★ **Bring a supply of swimmies, creams needed, water sandals with Velcro straps and a small hand towel. Label all removable items.**

PLANES, TRAINS, AND OTHER THINGS ...

This year our camp has acquired an extension collection of Thomas & Friends materials & objects, using train tables, books, art, puzzles, and many objects for learning, we will be having fun with our summer activities and "Thomas" as an added teacher.

Co-operation, Creativity, Computers and Community will help us grow in our learning while having fun with our friends (see themes listed below)

Children 3 ½yr and up:

COMPUTER LAB

"Educating Our Minds"
The Apple Club

CREATIVITY

"Stretching Our Minds"
Art, Drama, Music, Art Lessons

CO-OPERATION

"Not Mine - But Ours"
- Respect For Others -
Team Work: Team Sports

COMMUNITY

"Doing Our Part"
Responsibility
Theme Projects &
Service to Others

A weekly theme of **4 C's**, with each week's activities planned to develop these traits; making our summer one of productive goals and growth in the center of our fun and games.

Art Lessons, 3-D craft projects and water activities occur each week.
